
CMPQWK 1.3 Reader Upgrade Registration Form

If you are a registered user of **OLX**, **SLIMER**, or **WinQWK** or another offline mail reader we will upgrade you to **CMPQwk** for \$25. You **MUST** take a few extra steps to prove your legal ownership of these other mail readers. You may also combine this with VISA registrations, see the VISA.TXT or VISA.WRI files for information about credit card registration.

Upgrade Procedure

1) Call one of the support BBS systems and send Derek Backus a message in the CMPQwk conference asking him to upgrade you. In the message you **MUST** leave the name and serial number of your original mail reader. You **WILL NOT** receive a reply until we receive your check (item #2). Since the messages are routed to a central hub, please repeat the name of the system you called to place the message (The Patchbay or The Dataphile).

2) Immediately mail your check and the completed upgrade form.

or...

1) Instead of sending Derek a message on the support BBS, remove the original title page of your **OLX** or other manual and mail it with this form. Your original mail reader's serial number **MUST** be written on the title page, along with your full name, phone number, address, etc. also on the title page (as well as this form).

2) You **MUST** include a check for \$25 with this form in any case.

We will mail (or post on the support BBS or other site) your registration numbers. Tell Derek which method you prefer. You will have to call back and check for a post to you if you'd prefer electronic registration. Allow four days for a reply via support BBS.

If you **DO NOT SPECIFY** that you want a postcard, you will receive your registration information as a message posted to you on the support BBS you called to request an upgrade. So if you want a postcard (not a message) **BE SURE TO SPECIFY THIS!** Postcards will be sent out **ONLY ON REQUEST.**

You do NOT need to do both. Either a message with number OR your title page (if your reader has a manual). You will get a reply (with registration numbers) as soon as your check clears.

DO NOT SEND CASH!

Please make your check or money order out to Derek Backus. If you pay by check, your registration key will be mailed to you as soon as the check has been processed, which generally amounts to about ten working days. Money orders are usually faster, but in any event expect your registration postcard to arrive within two to three weeks for orders in the continental United States. Foreign orders may take from eight to sixteen weeks or more, depending on the mail

service and mailing method.

Upgrades may take longer than "new" orders due to the verification process.

Please fill in the information below. If you have any questions or comments, put them on another piece of paper or better yet, send them to Derek via The Patchbay BBS, The Dataphile BBS or Compuserve. See the help file for details on this.

Previous Mail Reader _____

Why did you change to CMPQwk? _____

Comments or questions: _____

Derek Backus may be reached on Compuserve at: **72233,3255**

On the Internet you may route to: **dbackus@patchbay.com**

DO NOT route messages to Compuserve via the Internet. Instead, send them directly to the Internet address!

If you would like, you may leave a message for him on the following Los Angeles California (USA) BBS systems:

The Patchbay BBS (Home of CMPQwk)
(818) 441-3965
Sysop: Daniel Bise
Associate Sysop: Todd Henschell

The Dataphile BBS (A support site)
(818) 957 5813
Sysop: Grant Willey
Associate Sysop: Todd Henschell

Via U.S. Mail:

Derek Backus
CMPQwk Reader
1930-B East Alostia Ave.
Suite 432
Glendora, CA 91740
