

Polar Graph Samples

FILE: Polar.cln

Introduction

This file contains samples of polar graphs in various styles, it does not represent all the possible combinations.

To see all the graphs at once, select Scale on the Settings menu and select Scale to Fit.

Copy a Graph

To use one of these graphs as a base for your own graph.

- ▶ Switch to Edit Mode
- ▶ Select the Graph Object to Copy
- ▶ Select Copy on the Edit Menu
- ▶ The whole object is copied
- ▶ Switch to your own worksheet
- ▶ Select Paste
- ▶ Move the object to where you want it and pipe it in.
