

# Programming for Windows with Object Linking and Embedding 2.0

By Kraig Brockschmidt

## ATTENTION

THESE CHAPTERS ARE PRELIMINARY DRAFTS  
FROM WORK IN PROGRESS, TO BE PUBLISHED BY  
MICROSOFT PRESS IN FALL 1993

Therefore everything is absolutely subject to change and no one makes any guarantee as to the quality of accuracy of any information contained herein.

These drafts do not represent any commitment on behalf of the author or Microsoft.

*If you find any conflict between this work and the OLE 2.0 Design Specifications, believe the Design Specifications: they're right*

In any case, I am very much interested in your feedback at this early stage, so please send any and all comments (and bugs), good or bad, to me using any of the following means. If you can also find the time to fill out and return (mail or fax) the questionnaire, please do so. Due to the nature and size of this distribution, I cannot promise any sort of response.
