

RightOn 2.1 - REGISTRATION

If you use **RightOn** beyond the 15 day evaluation period, you must register your copy of **RightOn** .

Registered users will receive:

- Registration number which will allow you to bypass the initial Registration screen.
- The ability to upgrade to future versions of **RightOn** for free.
- Free technical support via telephone and mail for one year.

To register, complete the following form and mail together with a check drawn on a US bank for \$15.

Note: International users may find it easier to purchase an American Express money order, available from American Express travel agents and other authorized establishments.

We regret that we cannot accept payment via credit card.
