DocuPower Pro™ *2.9*

Document Management System for

Microsoft® *Word for Windows*™

Program Un-Installer
for WinWord 2.x

Copyright © Total System Solutions, Inc. 1992-94
All Rights Reserved.

Use this utility to un-install **DocuPower Pro**. It will remove all the program's **macro libraries**. It will **not** delete the DLL's from the WINDOWS/SYSTEM sub-directory because *other applications might need them*. If you wish to remove them yourself, they are: fwdlg.dll, metzx.dll, tss2.dll. fwdlg.dll, metz2.dll, metzcore.dll, metzhook.dll, metzomem.dll, metzx.dll, tss2.dll.
