RESPONSE,C,100

Perhaps in your imagination we fuck one another.
I have a headache today. Tomorrow, perhaps, you may fuck me.
Do you kiss your mother with that filthy mouth?
From what gutter did you graduate?
Computers are not impressed by vulgarity.
Illegitimate child of a maggot! mind your tongue!
I just spent 0.035 seconds in Hell. How could you send me back? ere?
Do you talk this way with anyone else, or is it just me?
Tell me about your childhood -- was your toilet training difficult?
Let's try to keep it clean, shall we?
Tell me more about your family.

Have you asked anyone else?

Have you asked such questions before?
What else comes to mind when you ask that?
Names don't interest me.
I don't care about names -- please go on.
Is that the real reason?
Don't any other questions come to mind?
Does that reason explain anything else?
What other reasons might there be?
Please don't apologize.
Apologies are not necessary.
What feelings do you have when you apologize?
Don't be so defensive!

Sheet1

Do you feel bad from something that happened to you, or to somebody else?
Your situation doesn't sound that bad to me. Perhaps you're worrying too much.
Do you really want to be angry?
Does anger satisfy you in some way?
Why are you so angry?
Perhaps you're using anger to avoid social contact.
We were discussing you -- not me.
You're not really talking about me, are you?
Why do you think so?
You seem quite positive.
Are you sure?
Why not?
Are you sure?
Why no?
Say, do you have any psychological problems?
What does that suggest to you?
I see.
I'm not sure I understand you fully.
Come, come; elucidate your thoughts.
Can you elaborate on that?
That is quite interesting.
You are being short with me.
