MENU

FOREGROUND

{textcolor 4}

This is sample text which is on display to show the contrast between foreground and background.

Above you see a menu which allows you to set the foreground, background menu and cursor colors. Color is set with macro command below:
(where x is color)

```
{MenuColor x}  
{BordColor x}
```

```
<<F
<<B
<<r
{option "L"}{menuoff}{SCRNOFF}/!{esc}{esc}{esc}{home}{goto w1}{dn 16}{lt 4}{menuon}
{scrnon}{update}{MenuWidth 12}{MenuXy 30,5}
{menujump menu}
```

Spreadsheet

Set the foreground color

```
{MenuCall MENU2}
{TEXTCOLOR +A1#or#a2}
{Update}
{Jump \a}
```

Blue

Set the color

```
{Let a3,1}
{Return}
```

Foreground

```
{MenuCall MENU1}  
{Let a1,a3}  
{RETURN}
```

0

```
{Textcolor 67}  
{BordColor 32}  
{Update}
```
