

Ballooneys Screensaver

PopIt

A fun, interactive screensaver that allows you to try and pop all of the balloons by clicking them with your mouse. If you choose not to interact, a nail will emerge at the bottom of the screen to do it for you. Adjust the speed settings to heighten or lessen the challenge. Choice of font and background color. Sound options available.

Floating

Balloons float peacefully upwards in the sky.

Bee Sting

An intuitive bee flies about stinging as many balloons as he can. This interactive screensaver allows the user to also click and pop balloons causing score boards to appear in the lower corners of the screen, keeping track of who will win. Adjust the speed settings to heighten or lessen the challenge. Sound options available.

Celebrate

Click on the message you want to appear at the end of this festive screensaver or create your own message. (Creating your own message is not available on Ballooneys Lite.)

Ask Ballooneys*

Ask a yes or no question and Ballooneys will have an answer! Set to interactive mode and choose the moment to receive your advise by popping the balloon of your choice. Otherwise, Ballooneys will do it for you. Choice of font and background color.

Sound options available.

*Ask Ballooneys is not available on Ballooneys Lite.

I've ordered online but didn't receive a Key Code.

When you order online, you are purchasing the **software version** of the screensaver. There is no serial number or Key Code involved. After submitting your credit card information, you must download the full **software version**.

Find the directory where you downloaded the file and run it to install the software version of Ballooneys. It will now appear in your Screensaver section of Control Panel as **Ballooneys Screensaver**.

I've entered the Key Code but still have Ballooneys Lite.

If you have reinstalled your screensaver onto a new harddrive or changed computers, the serial number generated for your screensaver will change. We always include the serial number originally given to us when sending the Key Code so that you can verify if necessary. Occasionally, an error is made in copying down the serial number. In either case, just e-mail the new serial number along with your name and the name of the screensaver you ordered to:

flywheel@coolscreens.com

After verifying your registration, we will e-mail your new Key Code to you.
