

Welcome to PhotoDisc™ Sampler 96.1. It is our goal to deliver the finest photography available anywhere to our valued customers.

A tour of PhotoDisc Sampler 96.1...

Readme.pdf This is a group of Adobe Acrobat™ files designed to guide you through PhotoDisc products. Included are READ ME FIRST! (the document you are currently reading); QUICK START! (a brief guide to our browsing software); KEYWORD STRATEGY! (includes tips on image searching); COOL STUFF! (for the latest information on PhotoDisc products); CLIPPING PATHS! (explaining our OBJECT SERIES clipped images); and ONLINE! (with information for accessing our image library on the World Wide Web).

Photos Folder Contains 10 HI RES images from Sampler 96.1

Browser2 Folder Contains the [ULEAD BROWSER™](#) image catalog displaying all the images in SAMPLER 96.1. This catalog contains helpful information regarding the images such as captioning and original photographer, as well as the ability to perform keyword searches. Also included is [VIEWER.EXE](#), a decompression utility.

Catalogs Folder Contains Acrobat catalogs of PhotoDisc products.

Textfile Folder This folder includes text-only documents for Volumes 1-28, Signature Series 1-12, Object Series 1-16, and Fine Art Series 1-4. Information includes Filename, Title, Credits, Information, Keywords, etc. associated with the PhotoDisc Sampler 96.1.

Conclusion...

If there is anything else we can do to make our product more useful to you, we want to hear about it. If for any reason you are not satisfied, you may return the product within thirty days for a full refund. Please review our end-user license agreement to ensure that your intended use complies with our guidelines. We want our customers to USE our product as easily and as often as possible, yet we need to protect the rights of our photographers. If you have any questions on usage rights, do not hesitate to call us at (206) 441-9355, or fax at (206) 441-4961.

System Requirements...
