Winter's cityside Crystal bits of snowflakes all around my head and in the wind
I had no illusions that I'd ever find a glimpse of summer's heatwaves in your eyes

You did what you did to me, now it's history I see here's my comeback on the road again
Things will happen while they can I will wait here for my man tonight,
It's easy when you're big in Japan

You're big in Japan, you're big in Japan, you're big in Japan it's when
You're big in Japan, then I'll sleep by your side all through the night
Big in Japan, it's easy to be

Neon on my skin passing silhouettes of strange illuminated mannequins
Shall I stay here at the zoo or shall I go and change my point of view for other ugly
scenes

You did what you did to me, now it's history I see here's my comeback on the road again
Things will happen while they can I will wait here for my man tonight,
It's easy when you're big in Japan

You're big in Japan, you're big in Japan, you're big in Japan it's when
You're big in Japan, then I'll sleep by your side all through the night
Big in Japan, it's easy to be

Too late, too late

You're big in Japan, you're big in Japan, you're big in Japan it's when
You're big in Japan, then I'll sleep by your side all through the night
Big in Japan, it's easy to be

You're big in Japan, then I'll sleep by your side all through the night
