E G# C#m A
She's electric,
E G# C#m A
She's in a family full of eccentrics,
E G# C#m A
She's done things I've never expected
C D E
And I need more time.

E G# C#m A
She's got a sister
E G# C#m
A
And God only knows how I've missed her,
E G# C#m A
And on the palm of her hand is a blister,
C D E A
And I need more time.

Amaj7 A
And I want you to know
Amaj7 A
I've got my mind made up now,
C#m7 E A
But I need more time.
Amaj7 A
And I want you to say,
Amaj7 A
Do you know what I'm saying?
C#m7
But I need more,
E
'cause I'll be you,
And you'll be me,
E7
There's lots and lots for us to see,
F#m7add4
Lots and lots for us to do.
B
She is electric,

Can I be electric too?
// E G# / C#m A // x3
/ C D / E

E G# C#m A
She's got a brother
E G# C#m A
We don't get on with one another
E G# C#m A
But I quite fancy her mother
C D E
And I think that she likes me.

E G# C#m A
She's got a cousin
E G# C#m A
In fact she's got 'bout a dozen.
E G# C#m A
She's got one in the oven
C D E A
But it's nothing to do with me.

Amaj7 A
And I want you to know
Amaj7 A
I've got my mind made up now,
C#m7 E A
But I need more time.
Amaj7 A
And I want you to say,
Amaj7 A
Do you know what I'm saying?
C#m7
But I need more,
E
'cause I'll be you,
And you'll be me,
E7
There's lots and lots for us to see,
F#m7add4
Lots and lots for us to do.
