

Song: This Velvet Glove
Band: Red Hot Chili Peppers -
Album: Californication

INTRO: **Dm C Bb** x4

VERSE 1:

Dm C Bb Dm C Bb
Close to my skin I'm falling in someone who's been
Sittin' by the phone I'm left alone in another zone
John says to live above hell my will is well
No one is waiting for me to fail my will could sail --- yeah

INTRO

BRIDGE:

Dm C Bb
It's such a waste to be wasted in the first place
I want to taste the taste of being face to face with common grace
To meditate on the warmest dream
And when I walk alone I listen to our secret theme

CHORUS:

Dm Am
Your solar eyes are like nothing I have ever seen
Somebody close that can see right through
I'd take a fall and you know that I'd do anything
C A
I will for you

INTRO (x1/2)

VERSE 2:

Sailin' for the sun 'cause there is one knows where I'm from
I care for you I really do I really do
Come closer now so you can lie right by my side
Sit alone in the sun I wrote a letter to you getting over myself **A**

CHORUS (2x)

INTRO (1/2x)

VERSE 3:

Close to my skin someone who's been I'm a falling in
Disasters are just another star falling in my yard
John says to live above hell my will is well
Long to be with someone to tell I love your smell
