Welcome to your Eyewitness clipart CD

How to use this CD

1. Open the Eyewitness clipart folder
2. Select "index.html":
 – for Mac users, drag and drop index.html on to your internet browser
 – for PC users, right-click and open index.html with your internet browser

This will launch the contents of your CD! Click on each folder to browse pictures, read about them, and download to use in your projects

Preferred browsers:
Firefox - http://www.mozilla.com/
Internet Explorer - http://www.microsoft.com
