

Easy Cooking Italian ReadMe

System Requirements:

- * Windows® Vista, XP
- * 233 MHz or faster processor (300 MHz recommended)
- * 64 MB RAM (128 MB recommended)
- * 650 MB free hard disk space (If Installed)
- * 800 x 600 monitor, 16-bit color
- * Windows-compatible sound card & speakers
- * 8X CD-ROM or DVD drive
- * Apple Quicktime 2.1.2 (Installer on disc)

Installation:

Insert the CD. Follow the on-screen instructions. If AutoPlay is not enabled, press the Windows key + R, then type D:\Autorun.exe. (If your CD-ROM drive is not D, use the appropriate letter.)
To start: Choose Start > Programs > Arcmedia > Easy Cooking Italian.

Apple Quicktime Installation:

Insert the CD. Follow the on-screen instructions. If AutoPlay is not enabled, press the Windows key + R, then type D:\Autorun.exe. (If your CD-ROM drive is not D, use the appropriate letter.)
Click the "Install Apple Quicktime" button. Click "Skip", when prompted to search for other versions of Quicktime.
