

The Guided Tour of Multimedia, 2nd Edition

Important: Let's make sure your system has what it takes. Please review the system requirements listed on the back of your CD-ROM case or this booklet.

How To Install for Windows® 95

If you have Windows® 95 already installed on your computer, installation is a snap. We've included Auto Play as a feature of our disc for Windows® 95 users.

1. Insert *The Guided Tour of Multimedia* disc into your CD-ROM drive.
2. Disc will automatically begin installation procedure if it has not been installed before.
3. Follow the instructions on the screen.
4. If you have already installed the *The Guided Tour of Multimedia* disc previously, it will automatically launch into the program for you.

How To Install for Windows® 3.1

Let's install:

We'll assume that you're slightly acquainted with Windows. If not, please refer to your Windows user guide to clarify these standard steps.

1. Start your computer and go to the Windows **Program Manager**.
2. Put your new *The Guided Tour of Multimedia* CD-ROM into the CD-ROM drive.
3. Open the **File** menu, then choose **Run**.
4. Type the following: **[drive]\setup** where **[drive]** is replaced by the letter for your CD-ROM drive. For example, if "d" is the letter for your CD-ROM drive, you would type: **d:\setup** and then press the **Enter** key.
5. Follow the instructions that appear on your screen.

Everything needed to run *The Guided Tour of Multimedia, 2nd Edition* will install automatically on your hard drive or is contained on the CD-ROM itself. You'll see a new **Group Window** called ***The Guided Tour of Multimedia, 2nd Edition*** on your screen. Double-click *The Guided Tour of Multimedia* Group icon to access the ***Guided Tour*** program icon and a **Read Me** icon.

Tip: Double-click on the **Read Me** icon to get the latest installation, technical and other information.

How to Start *The Guided Tour of Multimedia, 2nd Edition*: Double-click on the ***Guided Tour*** icon in the **Group Window** called ***The Guided Tour of Multimedia, 2nd Edition*** .

Electronic Registration:

- We've made it fast and easy for you to register your CD-ROM. It's called E-Reg (for Electronic Registration) and you'll see it on screen right after you install ***The Guided Tour of Multimedia, 2nd Edition***.
- Be sure to register so that we can keep you informed about upgrades and special bargains on new Graphix Zone CD-ROMs (for registered users only).
- And, if you ever need technical help, registering will make it possible for us to provide better and faster service because we'll already know about your computer before you call us.

E-Reg automatically appears on the screen right after you install. If you don't register now you can always register at a later time by double-clicking on the **Register** icon in the *The Guided Tour of Multimedia, 2nd Edition* Group Program Window.

- If you live in the USA, you can modem your completed E-Reg to us toll-free by selecting the modem option.
- Or, print out your completed E-Reg and fax it to us at **714- 833- 3894**.
- Or, mail it to us at: **Graphix Zone E-Reg, 38 Corporate Park, Ste. 100, Irvine, CA 92714 USA**
- Or, register by telephone. Call us toll-free at **800- 828- 3838, extension 201**, press **1** when prompted, then follow the recorded instructions.

Technical Support:

If you have any problem installing or using ***The Guided Tour of Multimedia, 2nd Edition***, please call our Technical Support Department at **714- 833- 3570**. Our hours are Monday through Friday, 8:00 a.m. to 5:00 p.m., Pacific Standard Time. Or visit our web site <http://www.gzone.com> .

TIPS: If you see the error message "**Invalid TrueType Font Detected**" when you startup *The Guided Tour of Multimedia, 2nd Edition*, do the following:

1. Choose **Close**, then press and hold down the **Alt** key while pressing the **F4** function key. You will now be in Windows' Program Manager.
2. Open the Main group window and double-click on the **ATM Control Panel** icon to open the Adobe Type Manager window.
3. You will see ATM and On/Off buttons on the left side of the window. Click the **Off** button to turn the Adobe Type Manager off.
4. Close Adobe Type Manager and restart Windows. *The Guided Tour of Multimedia, 2nd Edition* should now work properly.

When you are finished with *The Guided Tour of Multimedia, 2nd Edition*, repeat steps 2 - 4 (except that you will click the **On** button in step 3) to return to your normal Windows environment.
