

Tropical Computer
CD of plant images

The plant images incorporated into Microsoft Image Composer have been licensed to Microsoft Corporation by Tropical Computers, Inc. Tropical Computers, Inc. produces high-resolution, royalty-free images of tropical foliage plants used in the interior landscaping industry. We have edited these images and created the sprites with alpha to be used in conjunction this new Microsoft product. Tropical Computers has a collection of over 150 plant varieties including flowering plants, palms, trees, trailing plants, and ornamentals, and the list is growing daily. If you would like more information or want to order these images, please call us at (800) 327-6293, or visit our web site <http://www.cdplants.com>. We are currently offering a 40% discount on the retail price to registered users of Microsoft Image Composer.
