***************************Registration******************

I want to registate the program PRTNMB2 so I'm going to sent
_____ pounds (£2.5, more info on the docs) to

     Carlos Sousa Rodrigues
     Apartado 3111
     3000 Coimbra
     Portugal

I found bugs using the program (I know that Log() functions can
originate bugs) doing

_____
_____
_____
_____
_____
_____
_____
_____
My suggestions are

_____
_____
_____
_____
_____
_____
_____
_____
I showed the program to _____ people and their opinion are that the
program is

_____
_____
_____
_____
_____
_____
_____
My personal information's

NAME _____
AGE _____
Psion model._____
E-Mail address _____
Place of study or work _____
Study or Work _____

If I want some peace's of code (paying for it, see the docs for more
info)(in the condition of not wining anything with that code) and if I
don't have one E-mail address that code can be sent to me in 1

disk. (please state the format and size, I can provide PC, Mac, and Amiga 3.5 inches floppies and 5.25 PC floppies)
To
