[Neat Things You Can Do](#)

[How to Subscribe](#)

[How to Obtain Tech Support](#)

## **Help**

Clicking on Help brings up this help file. Help may also be initiated by pressing F1 on your keyboard while the magazine is running or by double clicking the IE Help icon from the program manager at any time.

## **Quit**

Clicking quit exits the magazine.

## **Flipping Promo Screen**

This screen cycles through the articles. If you see something you like, click it. You'll be magically whisked away to the gaming realm of your choice.

## **News**

Takes you to the news menu.

## **On the Cover**

Quick access to the special features of this month.

## Table of Contents

Provides a method of limiting your search.

## Patches and Updates

To install the patches and updates, a working knowledge of pkunzip is necessary. We have included the self extracting distribution files. Pkzip and pkunzip are shareware.

To install pkunzip (and associated files) to your hard drive, ...**{add more BS}**

Once installed, type pkunzip with no parameters to get help on using it.  
**{add more BS}**

Included in nearly all patch / update zip files are readme files. Use your favorite text editor to read these instructions from the manufacturer. Tech support on patches / updates is limited.

## Install Demos

You can install the demos through the menu, or through the file manager.  
**{add more BS}**

## **Ad Index**

Listing of all advertisers.

**Done**

Click to return to previous menu.

## **Demo Mode**

Runs EVERY article  
cover-to-cover.

## **Speech On/Off**

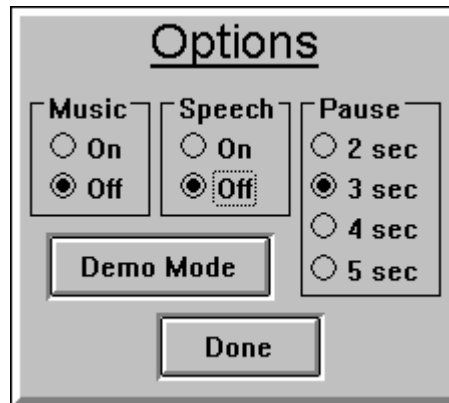

Enables / Disables Speech.

## **Music On/Off**

Enables / Disables the background music.

## Options

If you turn sound off...

...the pause value selector appears.

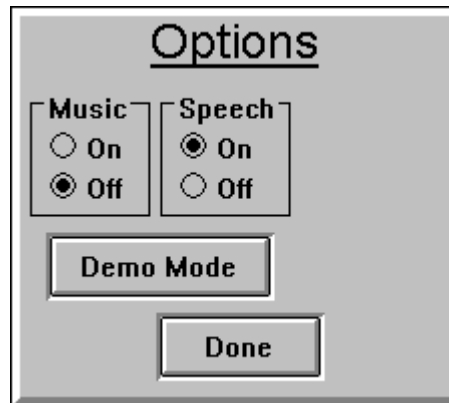

Select the number of second to pause between screen shots.  
(Normally, the screens flip at the end of the audio.)

[Main Menu](#)

# Options

Click the item in question:

The image shows a screenshot of an 'Options' menu. At the top, the word 'Options' is centered and underlined. Below this, there are two columns of radio button options. The left column is titled 'Music' and contains two options: 'On' (with an unselected radio button) and 'Off' (with a selected radio button). The right column is titled 'Speech' and contains two options: 'On' (with a selected radio button) and 'Off' (with an unselected radio button). Below these options are two buttons: 'Demo Mode' and 'Done', both with a 3D effect.

The screenshot shows a web browser window with a grey background. At the top is a black banner with the 'ie' logo and the text 'INTERACTIVE ENTERTAINMENT' in red. Below the banner is a copyright notice. On the left is a vertical list of game titles, each preceded by an unchecked checkbox. On the right is a large black rectangular area. Below this area, the word 'Reviews' is written in a red, italicized serif font. At the bottom right are two more checkboxes labeled 'More' and 'Subscribe'.

## Previews

Click the item in question.

The screenshot shows the 'Interactive Entertainment' website interface. At the top, the logo 'ie INTERACTIVE ENTERTAINMENT' is displayed in red and black. Below the logo, the text '© 1994 Interactive Publishing Inc.' is visible. The main content area is a grey box containing a list of items, each with a checkbox and a label. The items are: 'Alone in the Dark 3', 'Battles in Time', 'Dark Forces', 'Dragon Lore', 'Earth Siege', 'FPS: Baseball', 'Flying Nightmares', 'Front Lines', and 'Table of Contents'. To the right of this list is a large black rectangular area, likely a placeholder for a preview image. Below the black area, the word 'Previews' is written in a red, italicized serif font. At the bottom of the grey box, there are three checkboxes: 'More', 'Subscribe', and 'Table of Contents'.
