

How to register....

Please register your copy of the **Internet Resources Database - Reader & Notebook**, if you decide to use the program on a ongoing basis.

As a registered user you get:

- * Support via email or fax.
- * Subscription to the IRD-USER-INFO list for information on new datafiles, upgrades etc.
- * Free upgrading to new versions of the IRD - Reader & Notebook program in the form of compact upgrade programs.

also:

- * You can use compact, fast loading IRD update files for updating your database with new and changed information.

and:

You support the further development of this program and the maintenance of the (your) Internet Resources Database.

Registration will enable the "Udate with a IRD .upd file" function and eliminates all registration reminders from your program.

There are two ways to register:

A) Register the Shareware version you have downloaded, received from a Shareware distributor, as pre installed software or by other ways.

The Registration fee is DM 30,-- (US\$ 22,--)

You will get the registration code for your program via email.

B) Order the registered version on disk. You will receive the current version of the IRD - Reader & Notebook program **plus** the complete current Internet Resources Database on 3.5" floppy disks (3 disks).

The price for the disk version is DM 49,95 (US \$35,--) plus shipping & handling.

You can register by:

E-mail

Fax

Snail Mail

CompuServe

Online on our
Webpage

800 number
(US only)
