

# FreeSTYLE 1.1 REGISTRATION

This is a fully working evaluation version of FreeSTYLE 1.1 for Microsoft Word for Windows. There are no limitations in terms of functionality or length of use, but if you keep the program you must register.

To encourage you to register, if you use the FreeSTYLE commands more than 15 times within a single file, a nag screen will appear when you select any of the FreeSTYLE commands. If you continue to use the program, the menu commands and keyboard shortcuts for instant tagging and navigation will stop working so that you will only be able to access the power of FreeSTYLE from the control panel.

## The Benefits of Registration

If you register you gain the following benefits:

1. You will be able to unlock your evaluation copy of FreeSTYLE. This will allow you to freely use all the functionality of the FreeSTYLE menu, control and shortcuts in all of your work without reminders or inconvenience.
2. You will be eligible for phone and e-mail support (please e-mail me at TomArahUK@aol.com). As I am a member of ASP you also have the protection offered by an independent ombudsman. If you have a problem, an idea or just want to share your views of the program, *please get in contact*.
3. You will be able to use your registration number to unlock any FreeSTYLE 1.x maintenance releases and FreeSTYLE extras (for example a version of FreeSTYLE optimised for Word 97). This, and future releases, will be made available via my site <http://members.aol.com/tomarahuk>
4. You will be informed of any major new releases (if you include an e-mail address) and will be eligible for a discounted rate on these and other products.
5. Finally you will be able to sleep easily at night knowing that you are supporting the development of FreeSTYLE and other innovative add-ons.

## Registration Price

<p><b>Registration costs only</b> <b>US \$30.00 or £18.00 (£21.15 inc VAT)</b></p>
--

**20% DISCOUNT:** Charitable institutions, people with disabilities, students, the unemployed and registered users of other Online Design software (eg Factotum) are all eligible for a 20% discount. This takes the price to \$24.00 or £14.40 (£16.92 inc VAT). This rate is only available if you pay by bank check/post and enclose (photocopied) proof of your status.

Additional computers can be licenced to use FreeSTYLE at \$20 or £14.40 (£16.92 inc VAT) each.

## How To Register FreeSTYLE

### *By credit card / email / online / fax:*

Payment by credit card is generally cheaper, quicker and more convenient. I cannot accept credit card payment directly but this is possible via the PsL (Public Software Library). Payment can be made online, via email or via fax. Full details are available on the registration form (see below). In each case, after processing your payment, PSL automatically pass on your details to me and I will send you your own personal registration code. Apart from the payment procedure, PSL know nothing about FreeSTYLE, so please send any comments, queries etc directly to me at TomArahUK@aol.com

Alternatively if you are a member of Compuserve you can register online. GO SWREG reference # 15875.

### *By bank check / post:*

To pay by bank check, simply fill in the registration form below (or available from the About FreeSTYLE / Register command) and send it off with correct payment (made out to ONLINE DESIGN) to Online Design, 26 Forth Street, Edinburgh, UK, EH1 3LH.

- If you are applying for the 20% discount, please include photocopied proof of status.
- If you are an overseas user wanting to pay in your local currency (ie neither UK£ nor US\$) there is an additional \$5.00 bank handling charge.

## How To Unlock FreeSTYLE

In return for registering you will be sent a personal 10-digit registration code via email if you have included an accurate email address or otherwise by post.

Simply enter this code into the Reg No text box in the About FreeSTYLE / Register dialog and select the Register command. This will automatically unlock your existing evaluation program template.

*Thank you for your support,*  
Tom Arah

## FreeSTYLE 1.1 REGISTRATION FORM

**PAYING BY CREDIT CARD** is generally the quickest and most convenient method of registration. Payments are handled by the PsL (Public Software Library). As PsL is an American company all payments are made in \$US which will be converted to your currency equivalent on your next credit card statement. (This is good news for EC users who will not be liable for VAT.) Apart from the payment process, PsL know nothing about FreeSTYLE so please send any comments, queries etc directly to me at TomArahUK@aol.com. To pay by credit card:

6. You can fill out a secure order form **online** by visiting my site at <http://members.aol.com/tomarahuk>
7. You can **email** the form below. When you complete the last entry the relevant section of the form will be copied to the clipboard ready for pasting into your email editor. This should then be sent to 30190@pslweb.com.
8. You can **fax** the form below (after signing it) to PsL at (00) (+1) 713-524-6398 (please only fax orders)

**PAYING BY BANK CHECK / POST** is most likely to be relevant if you do not have a credit card or are eligible for the 20% discount. (If you are an EC citizen you will be liable for 17.5% VAT. If you are paying neither \$US nor £UK you will be liable for a US\$5 equivalent handling charge.) To pay by bank check:

9. You can sign and **post** the form below to Online Design, 26 Forth Street, Edinburgh, UK, EH1 3LH. Please remember to sign the form, to include proof of status if you are eligible for the discount, and to enclose a bank check made out to ONLINE DESIGN for the correct amount (or your local currency equivalent).

Please fill out the form below on screen. As you move between fields, the correct payment will be updated automatically. When you have completed the last entry you will be prompted with what to do next.

Payment details		<i>(select options and the correct price will be worked out automatically as you move on)</i>	
1. how are you intending to pay?			
2. which currency will you be paying in?			
registration of FreeSTYLE for Word 1.1	Units	1	\$ 30.00
additional licences for extra computers	Units	0	\$ 0.00
