

## Introducing Companion Reader 3.0

Companion Reader 3.0 was designed to give you the ability to predict the outcome of a wide selection of daily personal and business events involving you and any other individual, or just any two individuals via Numerological and Astrological calculations as well as the Egyptian Book of Dead and Cabala.

Have you ever wondered if you should ask someone out on a date or even talk to your boss about a raise? Well, now you can do it all, plus over 50 more options covering all aspects of your personal life as well as your professional career.

Numerology has been used for centuries to compare individuals' profiles. Now, the power of that knowledge is finally at your fingertips. Discover the future or check your past - the choice is yours!

## Who Should Use Companion Reader 3.0

Companion Reader 3.0 should be used by anyone and everyone who has an open mind and who is curious about the ancient art of comparing individuals' profiles.

## Using Companion Reader 3.0

Enter first and last names, birthdays. Select eye and hair color from the drop down list boxes. Check if it is a male or female (check this box only for a male), single or married (check this box only if single, divorced or widowed), has pets or not (check this box only if this individual has a pet or pets) and finally change the current date if necessary. If you do not know any of the required items, make your best guess.

After you have entered the required information select the desired reading type from the drop down list box and click on the **READING** button. Your reading will be clearly displayed.

At any time you can create reports by clicking on the **REPORT** button.

**Please note that for FORTUNE, REGRETS, LOYALTY, TRUST, BUSINESS, FRIENDSHIP, LOVE and FATE predictions you don't need to select an event or change the current date.**

*Please note that any day can be selected. You can check your past, present or future!*

## **Registration and Pricing**

**Companion Reader 3.0 is FREE to registered users of Numerology Star Reader 12.2!**
