

Introducing Intuition Reader

Intuition Reader was designed to give you the ability to check your intuition power, your "gut feeling," before relying on it to make a decision. It will also help you develop your intuition and keep it sharp through a series of exercises.

Have you ever wondered if should go with your "gut feeling" or not? Now, you can test the power of your "gut feeling" before relying on it!

We all possess intuition. Every day we rely on it to make decisions which can profoundly affect our lives, and the lives of the people we love. Wouldn't you want to test your intuition, your "gut feeling," before relying on it?!

Using Intuition Reader

Select the type of the decision you are about to make (personal, family or business). Then choose the number, the color, the shape, and the sign. Do not think or try to calculate anything! Go with your "gut feeling". Flip through the options and ask yourself is this the one.

After you have entered the required information click on the Check Intuition button. Your reading will be clearly displayed.

Please follow instructions outlined in "Develop" and "Fine Tune" to develop and fine tune your intuition.

Please note that your intuition power might fluctuate during the day! Check it just before you make any important decision.
