1. SHAREWARE INFORMATION

THIS PRODUCT IS NOT FREE SOFTWARE. It is distributed as Shareware, which allows you to *try it before you buy it.* You may evaluate this product for 30 days. If you decide to continue using it, you are required to either register (purchase) it or remove it from your computer.

Shareware gives you the opportunity to fully evaluate a product before spending your hard earned money on it. We're sure you will find this product to be an excellent piece of software so please be honest and register if you continue to use it.

REGISTERED USERS ENJOY:

- Full unlimited registered access.
- Elimination of introduction screens.
- Priority technical support.
- Access to additional add-ins.
- Free minor version updates.
- E-mail notification of new versions and products.
- Special offerings.
- And much more...

For information on how to register please click the *How To Order* button on the Shareware screen when you start the program.

2. SYSTEM REQUIREMENTS

Windows 95 or NT 4.0 or later.

3. INSTALLATION

To install, run SETUP.EXE

Once installed please look through the on-line help for information on getting started quickly. We think you will find that the software is well designed, very easy to use and requires very little effort to master.

4. FREQUENTLY ASKED QUESTIONS

If you have any trouble using this software please look through the on-line help before calling or writing for assistance. There's detailed information on every aspect of the program and a section devoted to frequently asked questions and known problems.

5. CONTACTING US

8. LICENSE AGREEMENT

By installing this software you accept the following license agreement:

The software is considered "registered" once the author has received appropriate payment, the registration ID has been entered and the software no longer displays the reminder screens.

WHILE THE SOFTWARE IS UNREGISTERED:

You are granted a right to use the unregistered software for an evaluation period of 30 days. If you continue to use the software after the evaluation period you are required to either register or remove the software from your computer.

ONCE THE SOFTWARE IS REGISTERED:

You are granted a non-exclusive right to use a single copy of the software on a single CPU. You may not distribute registered copies of the software or your registration information.

NO MATTER WHAT:

You may not rent, lease, sell, sub-license, assign, or otherwise transfer the software. You may not reverse engineer, de-compile or disassemble the software.

The author retains title and all ownership rights to the software. The software and documentation are copyrighted. United States copyright law provides civil and criminal penalties for the unauthorized use, reproduction, distribution, and/or sale of copyrighted material.

9. WARRANTY

This software comes with the ultimate warranty. You can try it, use it and test it for 30 days without spending a cent. If you are satisfied with the software (as we hope you will be) then pay for it by registering and continue to use it. If you are not satisfied, remove the software from your computer and owe nothing.
